| Where the user/installer performs work in accordance with regulations of an Airworthiness Authority different than the Airworthiness Authority specified in block 1, it is essential that the user/installer ensures that his/her Airworthiness Authority accepts items from the Airworthiness Authority specified in block 1.                                           |                             |                                                                        |                      |                                                                                                                                                                                                                                                                                                                                                                                                |                                |
| Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.                                                                                           |                             |                                                                        |                      |                                                                                                                                                                                                                                                                                                                                                                                                |                                |

## Tear Down/Inspection

**Work Order #:** WAV2204528

**Date Printed:** 29/03/2022

**Page:** 1

**To:**

A.J. Walter Aviation Ltd.  
Maydwell Avenue  
The Headquarters  
Slinford RH13 0AS  
United Kingdom

**Ship To:**

A.J. Walter Aviation Ltd.  
Maydwell Avenue  
The Headquarters  
Slinford RH13 0AS  
United Kingdom

**Reference:** T37171

**Date Received:** 22/03/2022

**Part Number:** 755C0000-01

**Description:** Reheater

**Serial Number:** 03335

**Customer Remarks:**

Test

**Results from inspection:**

**Faults:**

Corrosion protection deteriorated and requires re-coat.

**Corrective actions:**

Repair and Test with reference to correct CMM

Apply corrosion protection.
