FAA 8130-3/EASA NOTIFICATION

Seal Dynamics, LLC. hereby certifies that we are an accredited distributor under the provisions of AC00-56 and are enclosing (when applicable) a true copy of the applicable FAA 8130-3/EASA from the PAH/OEM. The original is being maintained on file at Seal Dynamics, LLC. The original quantity reflected on the applicable FAA 8130-3/EASA is being reduced by the quantity reflected on this packing list/certification to cover the number shipped under this certification. Seal Dynamics, LLC. hereby certifies that the parts shipped on this packing list/ certification were not subject to conditions of extreme stress, heat, or environmental, or obtained from the U.S. Government or military services.

CERTIFICATE OF INSPECTION/ RELEASE NOTE

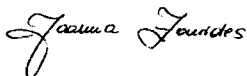

WE CERTIFY THE FOLLOWING CERTIFICATION WAS MADE TO US BY THE MANUFACTURER OF THE MATERIAL COVERED BY THIS ORDER. "We hereby certify that all material used in the manufacture of parts covered by this report conform to the material specifications called for by your purchase order. We further certify that the parts are manufactured in accordance with applicable drawings and specifications current on the date on which the material was manufactured. Test reports indicating conformance with applicable specifications are on file and subject to examination."
