| USER/INSTALLER RESPONSIBILITIES<br>This certificate does not automatically constitute authority to install the item(s).<br>Where the user/installer performs works in accordance with regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.<br>Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.      |                                             | 14d. NAME: FRANCISCO ASPERILLA OLMEDO<br>Nombre                                                     |                         | 14e. | RESPONSABILIDADES DEL USUARIO / INSTALADOR<br>Este certificado no autoriza automáticamente a instalar el/los elemento/s.<br>Si el usuario o instalador trabaja con arreglo a la normativa de una autoridad de aeronavegabilidad distinta de la especificada en la casilla 1, es esencial que se asegure de que la autoridad a la cual está sujeta acepta los elementos de la autoridad de aeronavegabilidad especificada en la casilla 1.<br>Las declaraciones 13a y 14a no constituyen certificación de instalación. En todo caso, el registro de mantenimiento de la aeronave debe contener una certificación de instalación expedida por el usuario o instalador en virtud de la normativa nacional antes de poder poner la aeronave en vuelo. |                                             |                                                                                                     |                         |                                                                                      |  |
