USER/INSTALLER RESPONSIBILITIES
This certificate does not automatically constitute authority to install the item(s).
Where the user/installer performs work in accordance with regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.
Statements in blocks 13a and 14a do not constitute installation certification. In all cases, aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.

These commodities, technology or software may be subject to Export Control Laws and Regulations, including U.S. Export Control Laws and Regulations, and diversion to the contrary is prohibited.

All wooden cases are totally free from bark and apparently free from living plant pests.
We undertake to declare in writing in the shipping document for the relevant consignment
- that the consignment does not contain prohibited articles according to the attachment
(guidelines for classification of prohibited articles) to Regulation (EC) No 300/2008 as
far as they have not been declared in accordance with ICAO Annex 18 or the
ICAO/IATA dangerous goods regulations in force;
- that the packaging and contents of the consignment may be inspected for reasons of
(e.g. random checks).
