Leki Aviation CPH, USA, SIN are certified suppliers to AS9120B, as supplier, stockist and distributor of aircraft parts with or without full traceability as per the requirements of AS9120 Rev B & ISO9001:2015. Leki Aviation make no independent representation that the parts are airworthy or acceptable for installation. These determinations are made by the installer based on their own inspection of the parts and the documentation forwarded by Leki Aviation. Copies of relevant certification and documentation are enclosed with the parts.

This is to certify that each part covered by this certificate is U.S. type certified by a manufacturer holding a U.S. product certificate, or license agreement with the prime manufacturer, are in accordance with Federal Aviation Regulations Part 21. Sub Part L, and are not obtained from any U.S. Government or military source. All used parts were removed from a serviceable unit that had not been subjected to severe stress or heat (as in major engine failure, accident or fire)

CERTIFICATE of CONFORMITY

Certificate of Conformity No.	: CoC-2022-12376
Customer	: Leki Aviation A/S
Purchase Order No.	: 84761
Parts List (Work Order) No.	: 12376

1- LOGO SKY certifies that the part(s) (please see attached parts lists no: 12376), manufactured in conformance with the related purchase order and/or technical drawings/specifications/documents provided by the customer, and inspected for accomplishment to the requirements.	2- All proofs, inspection and/or test results that are referenced in this certificate, are maintained as production records at least 10 years unless otherwise stated at contract between Logo Sky and customer. All records can be shared with the customer upon request.
3- If the base material used in the part has a flammability test requirement, it is indicated by check mark in the flammability test column of the attached parts list. A copy of the flammability test can be sent to the customer if requested.	
4- Unless otherwise stated, customer part number is marked on the part and/or on the package label. If the reference part number is not specified by the customer, the Logo Sky part number is marked on the part and/or on the package label.
