SHUR-LOK COMPANY certifies that the above noted part number was manufactured and inspected in accordance with the applicable purchase order, drawing, specifications, and any other requirements invoked thereon.

The materials and/or parts furnished under the above purchase order were produced either from materials furnished by the Buyer for the production of such parts, or from materials for which the Seller has available for examination, chemical and/or physical test reports or other evidence of conformance.

The SLC Part Number, Revision letter and/or Lot Number listed on this certification may not reflect the part number, revision letter and/or lot number listed on the Processing Certification(s) and/or other paperwork attached to this Certification. The identification listed on this certification is the identification of the SLC Sales drawing at the time of manufacture and may not coincide with the manufacturing drawing(s) and/or revision letter(s) used to manufacture and process the part(s). Traceability to the identification listed on this certification is maintained and guaranteed.

When applicable, the parts contained in this shipment have been manufactured and inspected in accordance with TSO-C148. The conditions and tests required for TSO approval of this article are minimum performance standards set in the manufacturer's design. Aircraft fasteners approved under this TSO are not necessarily interchangeable with other aircraft fasteners approved under this TSO. Fasteners of similar dimensional properties may have widely varying performance and metallurgical properties. Substitution of parts may only be done if acceptable to or approved by the Administrator.
