7. GUARANTEE

7.1 LEGAL GUARANTEE

According to article 1641 of the French Civil Code, RCF guarantees the Customer against the hidden defects of the Repair. This guarantee is limited to the duration of the contractual guarantee and the Customer shall notify RCF in writing of any defect within eight (8) days after the defect was noticed and of its desire to make a claim under such guarantee.

7.2 CONTRACTUAL GUARANTEE

RCF guarantees that at the time of the delivery the repaired Products are in working order.

RCF guarantees the repair performed during twelve (12) months commencing from the delivery date of the repaired Product, following RCF's guidelines and provided that the repaired Products have been used in normal conditions.

The guarantee does not apply to the defects resulting from a fair wear and tear, from an abnormal use, negligence in the maintenance or in the upkeep.

This guarantee shall not apply to the Products that have been modified after leaving RCF plant, unless these modifications have been accepted by RCF.

This guarantee becomes void for any repaired Product that has been involved in an accident or in a fire.

RCF shall determine whether the Product shall be replaced or repaired. The guarantee does not cover the Customer's labour expenses for disassembling the equipment, replacement, repairing, adjustments, reinstallation or any other work.

The transport and insurance expenses related to the Product's return to RCF's plant will be payable by the Customer and the expenses for transport and insurance of the Product back to the Customer will be paid by RCF.

When returning the Product for Repair, the Customer will supply RCF with a detailed report regarding the claim for repair.

With regard to the State of the art, RCF does not, in any event, guarantee that the software will operate without interruption and without checking errors, nor that it will allow the Customer to achieve his objectives.

The Customer shall take any appropriate measure, under his responsibility, to reduce, as much as possible, the harmful consequences of any incident or malfunction, specifically
