AUTHORIZED RELEASE CERTIFICATE/AIRWORTHINESS APPROVAL TAG

USER/INSTALLER RESPONSIBILITIES

- (1) It is important to understand that the existence of this document alone does not automatically constitute authority to install the
part/component/assembly.
(2) Where the user/installer works in accordance with the national regulations of an Airworthiness Authority different than the
Airworthiness Authority of the country specified in block 1 it is essential that the user/installer ensure that his/her Airworthiness
Authority accepts parts/components/assemblies from the Airworthiness Authority of the country specified in block 1.
(3) Statements 14 and 15 do not constitute installation certification. In all cases the aircraft maintenance record must contain an
installation certification issued in accordance with the national regulation by the user/installer before the aircraft may be flown.
