We certify that the items furnished on this order conform to the requirements detailed in the contract or purchase order. Evidence of conformance is on file with us or our suppliers (subject to examination).

Unless specified, items are in new, unused condition and are traceable to the manufacturer. These items have not been subjected to conditions of extreme stress, heat or environment and have not been previously installed on a public aircraft, such as a government use aircraft or military aircraft. While stored in our facility, products are not exposed to mercury.

It is the responsibility of the end user/installer to confirm the airworthiness and acceptability of the parts for installation.
