USER/INSTALLER RESPONSIBILITIES

This certificate does not automatically constitute authority to install.
Where the user/installer performs work in accordance with regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.
Statements in block(s) 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records are to contain an installation certification issued in accordance with national regulations of the user/installer before the aircraft may be flown.
