LAMP NUMBER: 4557, NL-4557

Norman Lamps, Inc. certifies that the lamps furnished on the referenced purchase order were produced from materials which the seller has available for examination, as well as physical test reports or other evidence of conformance with applicable specifications.

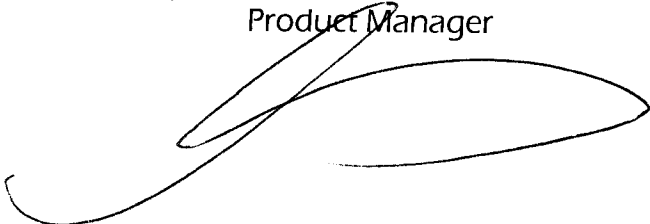

Norman Lamps, Inc. also certifies that these parts were produced in accordance with the specifications referenced or furnished by the buyer in connection with the purchase order number above, which the seller has available for examination certifications of conformance with applicable specifications.

These parts have been designed with specifications to meet the applicable performance characteristics and standard of ANSI, SAE, and are manufactured in accordance with Norman Lamps approved quality system procedures.

Norman Lamps, Inc. further certifies that any process required to be performed by a government approved source was, in fact, performed by such approved source.

Lamps provided under this certificate are RoHS compliant.
