				14d. Name N.P. Hoang	
				14e. Date (dd mmm yyyy) 15 Oct 2018	

USER/INSTALLER RESPONSIBILITIES: The certificate does not automatically constitute authority to install the item(s). Where the user/installer performs works in accordance with the regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his / her airworthiness authority accepts items from the airworthiness authority specified in block 1. Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.
