Notes:

WITH C OF C

Leki Aviation CPH, USA, SIN, and UK are certified suppliers to AS9120B, (USA and SIN to ASA-100; CPH and UK to AC 00-56B) as supplier, stockist and distributor of aircraft parts as per the requirements of AS9120 Rev B & ISO9001:2015, AC 00-56B, & ASA-100 (SIN & USA only). Leki Aviation makes no independent representations that the parts herein are airworthy or acceptable for installation. These determinations are made by the installer based on their own inspection of the parts and the documentation forwarded by Leki Aviation. True Certified Copies and/or Originals (as required) of relevant certification (s) and documentation are enclosed with the parts and Originals (or True Copies) received from our Supplier are kept on file.

This document is issued to certify that each part covered by this certificate is U.S. type-certified by a manufacturer holding a U.S. product certificate, or license agreement with the prime manufacturer, are in accordance with Federal Aviation Regulations Part 21. Sub Part L and were not obtained from any Government or military source. All used parts were removed from a serviceable unit that was not subjected to severe/extreme: stress, heat, or environment (as in major engine failure, accident or fire).
