The work identified in Block 11 and described herein has been accomplished in accordance with 14 CFR part 43 and in respect to that work, the items are approved for return to service under certificate no. 3XAY938B

13a. Certifies that the items identified above were manufactured in conformity to:

14a. ☒ Part-145, A.50 Release to Service ☒ Other regulation specified in block 12

- ☐ approved design data and are in a condition for safe operation  
☐ non-approved design data specified in block 12

Certifies that unless otherwise specified in block 12, the work identified in block 11 and described in block 12 was accomplished in accordance with Part 145 and in respect to that work the items are considered ready for release to service.
