24. Certifies that unless otherwise specified in Block 13, the work identified in Block 12 and described in Block 13 was accomplished in accordance with Title 14, Code of Federal Regulations, part 43 and in respect to that work the items are approved for return to service.

25. User/Installer Responsibilities: **It is important to understand that the existence of this document alone does not automatically constitute authority to install the part/component/assembly. Where the user/installer performs work in accordance with the national regulations of an airworthiness authority different than the airworthiness authority of the country specified in Block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts parts/components/assemblies from the airworthiness authority of the country specified in Block 1.**

26. Statements in Blocks 14 and 19 do not constitute installation certification. In all cases, aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.

27. Copy Description: **Copy Description: Copy held by AWW**

28. Amount Received: **4** Amount Supplied: **4** Signed: *AWW* Stamp Number: **2104109** Date: **2104109**

29. FAA Form 8130-3 (6-01) *Installer must cross-check eligibility with applicable technical data. Paperwork Reduction Act Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number associated with this collection of information is 2120-0018. Comments concerning the accuracy of this burden and suggestions for reducing the burden should be directed to the FAA at 100 Independence Ave, SW, Washington, DC 20591. Attn: Information Collection Clearance Officer, ABA-20.
